CORE VALUES

Sustainability

ECrent is committed to building a sustainable future. We believe in sustainable consumption and we want to encourage people to minimize wastage and maximize usage of existing resources to protect our environment.

Sharing

We encourage sharing through renting which helps to create social equity and harmony. We believe sharing economy helps achieve a sustainable future and encourage people to participate in fostering sharing economies around the world.

Entrepreneurship

We have an entrepreneurial spirit with strong work ethics. We believe no one should be poor if they are willing to work hard and they should be able to make a living in a flexible way. ECrent provides a framework and tools for ordinary people and entrepreneurs to make money and build their own businesses in their own ways.
